Christmas Concert

The concert is less than a week away and students should be practising their lines and songs at home each day. Families and friends are all invited to our annual concert on Monday, December 14 at 7:00pm at the school. Please bring along chairs to sit on and a plate of supper to share after the concert.

THANK YOU!!

- *To Poppy Micheal for replacing pavers in our outdoor learning area and making this safe again.
- *To Jason for welding the curtain rail for the concert and Kylie keeping children away from the welder glare.
- *Marty & Amy for painting the back wall in the shed.
- *Bernice for cooking our bbq lunch
- * To Mrs Talbot's mum for sewing the curtain (and donating the fabric)

A working bee has been set for JANUARY 21, 2016 to get the school ready for the new school year. Please mark this date in your diaries.

MARC Library

Families should be looking for any outstanding library books to be returned to the MARC van. A \$10.00 fee needs to be paid for all unreturned books.

Life Education Day

Last week our school visited Bundalaguah for Life-Ed day. The 3/4 students were wrapped to see Harold again, only we didn't get to see him much because he'd been banished. Something about being up all night on his devices and subsequently, being tired and grumpy – not eSmart behaviour!

We also learnt that passwords can be easy to hack, so it is important to have a mixture of lower and upper case letters, numbers and symbols. We were then given a strategy to create passwords with those criteria AND be able to remember something crazy like 2c&dllmJP . The story is: (I have) two pets, a cat and dog (I) love (it when they) lick me. (Their names are) Juice and Possum. Whether you make a story or stick with 1111, you should visit:

Sale Botanic Gardens

The LEAF

5.30pm Picnic in the Park

6.30pm Pre-entertainment

Students from Airly, Cobains & Seaspray PS joined Bundy PS for a terrific day of welfare activities last week. All students visited the Life Education van, learning about different health-related topics. They also learnt about responsible pet ownership and the finer points of athletics. Unfortunately there was a mix-up with the bookings and the RACV road safety presenters did not arrive.

Athletics

Last week our students all participated in an athletics session at the Life Education Day. They were taught tips on how to run more efficiently and encouraged to be active.

Sale Little Athletics is held at the Dawson St. oval, Sale each Saturday morning (of the school term, 9:00am -12:00pm). The first visit is FREE for interested students.

CHRISTMAS RAFFLE

Families are asked to donate items for our annual Christmas raffle which will be drawn at the school concert on Monday December 14th. Donations may be left at the school office.

Please return tickets and money to the office.
