## **WELCOME BACK**

Seth's been counting the sleeps and checking his arithmetic each day. Finally, we won't have to count them anymore...SHE'S BACK!!! Students mobbed Mrs Talbot as she walked through the gate on Tuesday. Sadly, this means goodbye, or, until next time, for Mrs Clarke who had a wonderful time with the East Room students while Mrs Talbot took her well-deserved long service leave.

## **THANK YOU**

Mrs Talbot would like to thank ALL involved with the school during her absence. Things have continued to run smoothly which proves our school community is a very successful TEAM. Thank you to all who supported Miss Carter during her time in charge of the school – she did an excellent job!

## **Curriculum Day**

Next Monday, June 20 most schools in the Wellington Network will close for the day to allow staff to attend a professional development session about 'Challenging Learning'. International educator James Nottingham will talk about the importance of feedback, questioning and having a go during the learning process. Students are not required at school on this day.

## **Student Reports**

Student reports will be handed out next week. These are currently being finalised.

## **Fundraising**

Sale Rural Cluster schools want to introduce the respected KidsMatter program to build the students' resilience and social and emotional intelligence to help them become more effective learners, while providing families with additional support through information sessions. Collaboration between the schools will help teachers embed the program across the network, and the KidsMatter evaluation framework will be used to measure the outcomes.

Families and school friends are able to go to the website below to donate to this project. (Donations are tax deductible)

[The entry is listed under Seaspray PS as Ms Luscombe organised this grant scheme on behalf of the cluster.](#)

## **eSmart**

'It's harder to avoid *it* than to see *it*.' We use youtube and Google in the classroom all the time. A fact of life today is that certain images pop up on the most innocent of searches. We have two options: we could stop using these sites and go back to the education system of the 70's. Or we can learn to deal with it as it happens. If you're stuck for words on this topic, visit this website: <http://www.itstimewetalked.com.au/>

## **Musical Performance**

Parents of senior students (grade 2-6) are invited to a musical performance on Wednesday 23rd of June at 3pm. The students have composed music and would like to share it with you.
