Farewell

Yesterday we farewelled Karlarni. Students at school were supervised by Cluster staff. We have been overwhelmed with messages of support and offers of help. We are especially thankful that families have supported each other at this time, which has helped us all cope with our grief. We need to remember this over the coming months and continue to monitor each other.

Strength of the Week: I am full of energy. I am willing to have a go at things. I have a positive attitude.

Athletics Carnival

The Sale Rural Athletics Carnival will be held this Friday, August 16 at the Sale Little Athletics oval, Dawson St. Sale. All children will compete. Parents are asked to take their children to the oval by 9:30am. Pick up will be at approximately 2:30pm. Airly is running the 200m event. Parent assistance is needed to ensure the even runs smoothly. Please see Mrs Talbot if you are able to assist, even if only for a short time.

Transition to secondary school

Tomorrow our Grade 5 students will visit Sale College. This will give them a taste of what secondary school is like and help them to decide which secondary school they will eventually attend. Visits such as this are an important part of the transition process.

Book Week visit to Stratford Library

Next Monday morning we will visit Stratford Library to see the annual Book Week performance.

Science Show at Wurruk PS

Grades 2-6 will travel to Wurruk PS for a Science Show, (last week was National Science Week). This will support the weekly Science sessions (via

Webex) that have started across the Cluster. Yesterday students did a STEM activity building structures from marshmallows and spaghetti.

Parent Opinion Survey

The Parent Opinion Survey has been **extended until August 18.**

Please see Mrs Talbot if you need assistance to access the survey.
